

## FOR IMMEDIATE RELEASE

### VJ Electronix Appoints W-Tech for Sales of XQuik with AccuCount

*September 2015 — VJ Electronix, Inc., the leader in rework technologies and global provider of advanced X-ray inspection systems, is pleased to announce that it has appointed W-Tech as its newest distributor for the XQuik with AccuCount in Europe.*

W-Tech will sell and support the revolutionary XQuick component counting solution exclusively in France, Belgium, Switzerland, The Netherlands, as well as Morocco and Tunisia. Headquartered in Saint Jean de Soudain France, W-Tech offers a wide range of inventory management and storage solutions.

Don Naugler, VJ Electronix General Manager said, "We are happy to have W-Tech join our team. They have a proven track record with more than 25 years of providing products and services related to tape-and-reel, advanced packaging and storage, and humidity control."

The W-Tech team in Saint Jean de Soudain France

VJ Electronix, with 20 years of experience in the electronics industry, has a complete range of machines used in different fields wherever a high technology level is required, e.g. military, medical, NDT, etc. The appointment of W-Tech is a key step in the company's strategic efforts to raise its profile in the European market.
