Chris Bunner Joins VJ Electronix as Customer Service Manager

July 2018 — VJ Electronix, Inc., a leading global provider of advanced X-ray inspection, component counting systems and PCB rework technologies, today announced that Chris Bunner has joined the company in the position of customer service manager. In this capacity, he will be responsible for supporting VJE customers worldwide.

A former marine, Bunner brings many years of service management, training and manufacturing experience to the VJE team. Most recently he was field service manager for Evolv Technology. Prior experience includes solar energy with Schott Solar, Spire and Sunrun. Bunner is based out of VJE's Chelmsford, MA headquarters.

"With hundreds of active installations, many dating back ten or more years, customer service has always been a high priority for VJ Electronix," said Don Naugler, VJE President and General Manager, "Chris' experience and customer focus will help us to further enhance our support around the world."
